

PRECISION COUNTERTOPS

Stone/Laminate/Solid Surface Installers - Subcontractors

Precision Countertops is the largest custom countertop manufacturer in the Pacific Northwest. With over twenty five years of experience manufacturing and installing countertops, we have thousands of satisfied customers. We are currently recruiting for **Stone/Laminate/Solid Surface Installers - Subcontractors** for our facility in Boise, ID. If you are an innovative, service oriented team player and meet the following requirements below, we want to talk to you.

Duties & Responsibilities:

- Removal of existing countertops and tile b/s as needed
- Verify integrity of new or existing cabinetry (plumb, square & level)
- Template/measure for new stone countertops using Hi-Core Material
- Handling customer concerns and problem solving in the field
- Install fabricated tops as templated and per industry standards
- Be able to fabricate in field and repair any chips, scratches or defects in top as needed
- Attach and install top mount and undermount sinks, drill holes for fixture as needed
- Communicate effectively with customers and Precision Countertops employees via phone, email and fax

Job Requirements:

We are looking for a reliable subcontractor with a progressive, helpful attitude towards customer service. Must be a team player with the ability to focus on client fulfillment.

- Must have 3-5 years of installation and fabrication experience preferred
- Must be able to speak and write in English fluently
- Must have a valid Drivers License and be able to drive a box truck/van
- Must be detail orientated, comfortable working with dimensions, and customer service friendly
- Must be able to lift to 150lbs and install up to 200 sq ft of countertops in a day
- Must be able to pass a background and drug screen
- Appropriate licensing and insurance required

If you are interested in becoming a subcontractor for Precision Countertops please reply to this posting to express your interest and submit your qualifications.
